

*Summer Days
in the
Garden!*

Spring 2023

Dear Friends,

Spring is finally here and we eagerly anticipate buds, blooms, and a colorful season. Edmonds in Bloom is excited to offer a bounty of activities and volunteer opportunities to beautify our community. We look forward to bringing you the annual Kids Plant Day on May 13, Garden Recognition event during June, the Garden Tour on July 16, and our annual Garden Celebration event on August 2nd.

This year we are providing funds for the new containers and plantings at 5th and Dayton, a new fence at the City Park Restoration area, enhancements at nearby Kruckeberg Botanical Garden, and continued garden renovation at the Edmonds Center for the Arts. We will continue to support local school gardens, scholarships for horticulture program students, downtown corner plantings, and host a public program featuring a local garden professional.

Your financial gift will enhance our community – and our lives - by showcasing outstanding gardens, supporting a colorful and vibrant downtown, and encouraging a new generation of gardeners.

Edmonds in Bloom is an all-volunteer organization.

In 2022, our dedicated volunteers contributed over 4000 hours coordinating and participating in hands-on activities which include:

- Helping over 100 children create flower pots for loved ones
- Canvassing neighborhoods to recognize 150 outstanding front yard gardens and floral displays
- Welcoming 800 visitors to the Garden Tour
- Disassembling the City’s hanging baskets

We invite you to join us at our events and to volunteer for committees and projects.

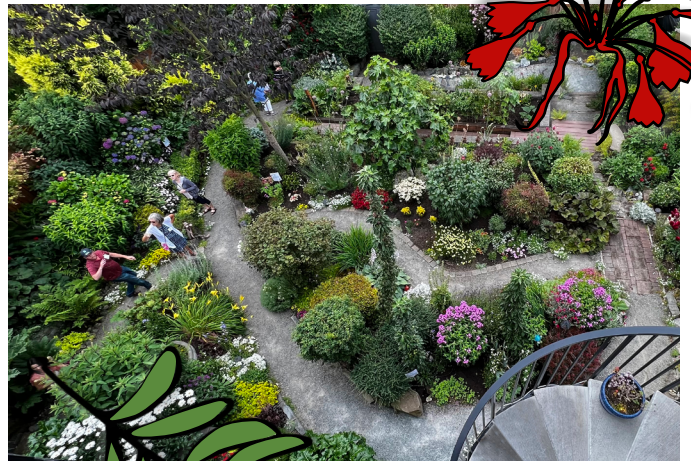

Visit our website to learn more.

Donate today by:

- Visiting edmondsinbloom.org and donating online
- Making your check out to “Edmonds in Bloom” and mailing it to 700 Main Street (98020)

Thank you for contributing to the joy, beauty, vibrancy and health of our community.

Carol Murray, President
